Good morning Hon. Frank Klees,

Thank you for introducing "An act to amend the places to grow Act 2005". My name is Pat Mullin and I have been a city of Mississauga Councillor representing Ward 2 for many years. During that time I have been concerned about the impact of the OMB's decisions on the character of local communities. While I understand the reason for intensification, my community now faces the result of an OMB decision that will parachute a 15 story building into an established area.

I welcome the intent of your Bill and I hope Premier Wynn's collaborative approach to Government will see quick progress and final passing of a long awaited reform of the OMB. Attached is a copy of a Resolution that was unanimously passed at Council on Wednesday March 27th, 2013.

Looking forward to finally seeing concrete reform of the OMB in the Province of Ontario.

Respectfully,

Pat,

Pat Mullin
Councillor, Ward 2
