Dear Mr. Klees:

As Commissioner of the Ontario Provincial Police (OPP), I am pleased to provide you with an endorsement of your resolution suggesting legislation be introduced to implement an automated insurance verification system designed with the goal of identifying motor vehicles that are being operated on Ontario roads without the required insurance coverage, and that the *Highway Traffic Act* be amended to provide for the impoundment of the vehicle being driven by an uninsured motorist.

The Ontario Provincial Police supports any legislation that will assist its officers in policing uninsured drivers as it continues in its efforts to ensure the safety of all motorists in Ontario. The OPP is committed to ensuring public safety on Ontario's roadways.

Thank you for your continued efforts.

Yours truly,

Julian Fantino
