

MPP Frank Klees and United by Trauma Celebrate on the eve of First Responders Day

The Jazz Bistro, which is located at 251 Victoria Street in Toronto, has graciously opened its doors to welcome the community, first responders, military members, medical professionals and their families to an evening of music, silent auction and fun commencing on Wednesday, April 30th, after 7PM.

Help us celebrate these hard working individuals that are the cornerstone of every community. On a daily basis they risk their lives to keep our communities safe.

Please help iRun & Rock-United by Trauma to raise funds for trauma therapy dogs for First Responders who have been affected by Post Traumatic Stress Disorder.

Best Regards,

MPP Frank Klees

United By Trauma Founders

Sam Reid, James Ward, Wayne Dufour and Nicole Taylor
